

Masonic Youth Center Stage III Guidelines

The Masonic Youth Center has now entered Stage III of ReopeningRI as the new state guidelines have been released. Below are the state guidelines for outdoor social gatherings, which we will adhere to:

- Gatherings will be limited to 50 per site
- Social distancing guidelines will be adhered to
- Facial coverings are not required within your social group, but are required when you are outside your social group

RIMYF takes the health and safety of our staff and guests very seriously. We highly suggest that our guests follow these guidelines as well for the welfare of everyone at the park.

As a reminder, all guests arriving at the park will be briefly screened for Covid-19 symptoms and the name and phone number of one person in each vehicle will be gathered for social contact purposes.

For the 2020 season, we will not be taking any reservations for gatherings. You may still use the park for a gathering as long as it is within the stated guidelines.

We thank you for your patience, understanding and cooperation when visiting the park. These are unprecedented times and we are doing our part to prevent the spread of COVID-19.

Thank you

RIMYF Board of Directors
